The Natural Approach in general, and "Deux mondes, Fourth Edition"" in particular," present material inductively (so that the activities drive the grammar) and in the context of culturally rich themes and topics. This text clearly sets itself apart from the competition: with "Deux mondes," students quickly become excited with their rapid growth in comprehension and vocabulary acquisition, and enjoy speaking in the non-threatening environment made possible by the activity formats.

In preparation for this edition of Deux mondes, we conducted extensive research, employing a wide array of research tools including surveys, focus groups, and ethnographic studies to identify the key goals and challenges of the Introductory French course. Not surprisingly, communication and cultural competence are top goals of the majority of instructors, while they are simultaneously faced with the challenges of fewer contact hours, budget cuts, and new course formats.
