B S in Geology Tulane University

In the junior and senior years, students preparing to enter graduate school in geology or paleontology are strongly urged to elect additional courses in their major field. It should be noted that such preparation may result in students' attaining more than the total number of credits required for graduation (see provisions for earning graduate credit in the senior year).

Conjugate Riedel deformation band shear zones

G.H. Davis et al./Journal of Structural Geology 22 (2000) 169 190 171. internal friction builds to the point that the deformation band locks up . If the conditions required for failure by this mechanism persist, a new deformation band will begin to form immediately adjacent to the rst. In this way, zones of deformation bands form, and they may accrue to thicknesses of centimeters or
